Dear Mr. [REDACTED]

Thank you very much for your letter dated 6th May 2008 regarding welfare reform and changes to the Disability Living Allowance (Special Rules Review & the Right Payment Programme), and sorry for the delay in replying.

Your letter seemed to make many excellent points and I was very interested to read it. As this is not my area of expertise, I have given a copy to my colleague Jenny Willott, our shadow work and pensions spokesperson, who will be able to give you a detailed response.

Thank you again for writing to me on this very important issue.

Yours sincerely,

[REDACTED]
